

The Skybolt Chardonnay — 2018

RESERVE

The lithe Skybolt is a captivating combination; it's a biplane with an open cockpit and wooden wings, built for aerobatics. Equally captivating the Skybolt Chardonnay is an elegant style with fruit richness, seductive oak and a succulent palate that is rounded and creamy.

VINEYARDS

The grapes were harvested from our Clone 15, Mendoza and Clone 6 Chardonnay blocks. Cropping levels were kept to a maximum of 11 tonnes/ha. The different clones were harvested at optimum ripeness, determined both by analysis as well as flavour. These clones have been specially selected for their generous fruit character, palate weight and richness.

WINEMAKING

A combination of free run juice predominantly from our original plantings of Clone 15 and Mendoza Chardonnay with a small amount of younger Clone 15. All batches were hand harvested, pressed, and fermented separately in a mixture of French oak barriques and puncheons. Selected yeasts and indigenous fermentation add complexity to the wine. Lees stirring in barrel took place for 11 months to increase palate weight and roundness. The wine was racked from barrel using inert gas to make a blend in tank prior to being stabilised and filtered for bottling.

TASTING NOTE

The wine offers lovely fruit purity together with silky texture and generosity, making it highly enjoyable. This ripe Chardonnay shows peach and tropical aromas coupled with toasted grains, caramel and spice from French oak. Stonefruit and biscuit flavours are balanced by a long citrus finish with hints of toffee and caramel.

A powerful wine that is vibrant in youth but will develop extra layers of complexity and roundness with bottle ageing.

Ideal to enjoy on its own or a perfect complement to seafood, white meats and risotto.
